OUR VALUES

Our core Values are driven by our desire to empower scholars to become agents of change in their communities and in the world. These values guide the ways we interact with our students, partners and community at large.

- Student Achievement** Our students always come first.
- Innovation** We seek new ways to improve our work.
- Excellence** We hold ourselves and our students to the highest possible standards.
- Teamwork** We know that two minds are better than one.
- Urgency** There is not a single moment to lose.
- Integrity** We never miss a chance to do the right thing.
