

2019-2020 Enrollment Forms for New Students

Student registration for SY 2019-2020 starts on April 1!

First, My School DC must notify you that a spot is available for your scholar at Chavez Schools Parkside Campus.

Once you receive that notification, there are **3 types of forms required** to register a student at Chavez Schools *once you have submitted the online registration form* on InfoSnap.** There will also be computers set up at the campus if you need to complete your registration onsite or need assistance completing it.

You may download these forms to fill out and bring to the school with your supporting documentation. The school will also have copies of all the forms at the front desk.
